LIVING CORAL SM

Living Coral Super Matte is a vibrant saturated color that makes a contemporary statement - surprisingly versatile either as an accent color, or as the focal point in a bathroom, powder room, mudroom or laundry. This deep, warm terracotta fits perfectly into the moody Dark Academia or English Country trends, where bold colors are juxtaposed to create nostalgic, eclectic and vintage feelings. Living Coral SM has a creative, unconventional personality that loves to play with others.

SSI's Super Matte finish has the look and feel of a high quality painted finish but with superior performance. It is easy to clean, doesn't chip, is highly durable and has long term color stability and consistency.
