

WHITECAP GRAY

Whitecap Gray is a deep rich grey coloration with a beautiful mix of darker and lighter tones. This woodgrain design is accented by beautiful cathedrals which are enhanced by the latest boreal texture, contributing to it's appealing haptic quality while feeling contemporary yet organic. Whitecap Grey is featured in SSI's Collaboration trend and is partnered here with the solid super mattes Turmalin, The Weekend and Onyx Grey.

Whitecap Grey is offered in a heavily textured finish and is suitable for vertical and horizontal applications. It is easy to clean, doesn't chip, is highly durable and has long term UV Stability.
